

CS Student4

Boise, ID, 83706
(555) 555-5555 • csstudent4@u.boisestate.edu

Education

Bachelor of Science in Computer Science Boise State University, Boise, ID GPA (4.0 scale): 3.9	Expected Graduation: Fall 2018
--	--------------------------------

Relevant Coursework

Databases	Web Development	Programming Languages
Software Engineering	Data Structures	Theory of Computation

Skills and Tools

Languages: Java, SQL, HTML, CSS, C, PHP	Tools: Eclipse, Git, Valgrind, Make
---	-------------------------------------

Projects

Web Development Project - HTML, CSS, SQL, JavaScript, PHP

- Implemented the front end and back end of a website including design, login, and database features as a class project

NFA to DFA Project - Java

- Modeled an instance of a nondeterministic finite automaton including a method to compute the equivalent deterministic finite automaton as a class project

Java Interpreter Project - Java

- Employed an ad-hoc scanner and a recursive-descent parser to build a strongly typed parse tree which was then traversed and evaluated as a class project

Relevant Experience

<i>Cyber Security Work U Intern</i>	<i>January 2018 – April 2018</i>
-------------------------------------	----------------------------------

Cyber Security, St. Luke's, Boise, ID

- Demonstrated analytical skills and dependability through the completion of NIST Cybersecurity Framework mapping in a database system called Archer
- Worked to improve security by running analysis of the server backup process
- Served as an educator to co-workers through the launch of a phishing campaign designed to teach employees how to better protect themselves and patient information while using email

Event Coordinator

August 2016 – April 2018

Student Involvement and Leadership Center, Boise State University, Boise, ID

- Gained a passion for planning and managing large scale projects such as Spring Fling and Bronco Welcome Week that involve budgeting, commitment to long-term objectives, and ongoing assessment
- Performed needs analysis, able to pitch and implement a brand new event focusing on staff and faculty appreciation, an area that was underserved in programming

Orientation Leader

March 2017 – August 2017

New Student Programs, Boise State University, Boise, ID

- Developed strong leadership skills during eight new student orientations with responsibility at each session for leading a team of up to twenty incoming students

Volunteering

Social Chairman/Member, Delta Delta Delta, Boise, ID	January 2015 – April 2018
Service Learning, University Foundations 200, Whitney Elementary, Boise, ID	January 2016 – May 2016
